

Ibrahim Musallam

Motivated Year 12 BTEC Business student with hands on experience in entrepreneurship and retail. Built a £250 investment into a five figure venture within two years, demonstrating initiative, reliability and strong business awareness. Now seeking a degree apprenticeship to apply and develop these skills in a professional environment.

Relevant Experience

Founder · **Ibrahim's Concierge UK** Nov 2023 to Present

- Built a five figure resale business as a private luxury shopper from an initial £250 investment
- Increased annual sales by 157% between 2024 and 2025 through market analysis, targeted sourcing and reinvestment
- Manage pricing, marketing, customer relationships and end to end fulfilment alongside full time education
- Analyse customer buying behaviour to improve stock turnover and profit margins while building relationships that generate repeat business

Business Operations Intern · **BroadLab** Jul 2026

- Worked alongside the Director of Operational Excellence, supporting business focused tasks and gaining insight into internal operations and decision making
- Gained experience with Operations, Sales, Engineering and Campaign Management teams and attended daily Warroom meetings
- Produced a customer facing case study using CRM systems and PowerPoint which BroadLab now uses externally
- Researched and organised customer brands by country and industry for a presentation now used by BroadLab

Company Secretary & HR Manager · **Seeds & Greetings | Young Enterprise** Sep 2025 to Jun 2026

- Coordinated meetings, actions and team communication while supporting product development and sales of plantable greeting cards
- Supported finance analysis and created the company website as part of a team that generated more than £2,100 in revenue
- Helped win Best Company in London & Essex and reach the Young Enterprise UK National Finals

Mentee · **Macquarie Group** Oct 2025 to Jul 2026

- Received one to one mentoring on university pathways, degree apprenticeships, career planning and professional development
- Completed mock interviews and gained insight into my mentor's role, responsibilities and experience at Macquarie Group

Youth Mentor · **St Aloysius RC College** Oct 2025 to Jul 2026

- Mentored Year 7 students weekly, explaining academic concepts clearly and supporting confidence and progress
- Adapted communication to individual needs while developing patience, leadership and responsibility

Volunteer Tutor · **Independent** Nov 2025 to May 2026

- Provided free English, Mathematics and Science tuition to 13 Year 11 students preparing for GCSEs
- Improved academic performance, with one student progressing from grade 4s to consistent grade 8s

Retail Work Experience · **Kick Game, Covent Garden** Jun 2024

- Delivered customer service and supported transactions accurately in a fast paced retail environment
- Maintained store presentation and organisation while developing teamwork and professionalism
